Dept. of Transportation & Infrastructure

2026 Update

DOTI OVERVIEW

Vision: To be the ideal Department of Transportation and Infrastructure in the country.

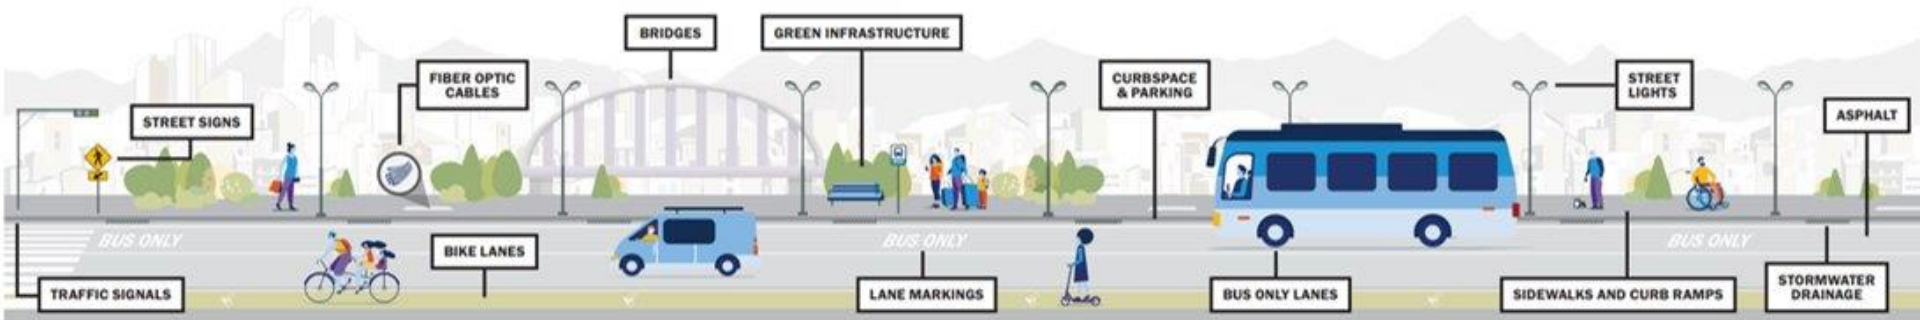

Mission: Denver's Department of Transportation and Infrastructure, through its employees, enhances the quality of life in Denver by safely and efficiently delivering effective, high quality, sustainable and equitable public infrastructure and services.

Strategic Focus Areas:

Invest in our People	Operate with Discipline
Use Data to Drive Decisions	Deliver Results
Embed and Measure Equity	

WHAT DOTI DELIVERS

Plan

Operate

Deliver

Enforce

2026 PHILOSOPHY

Prioritize the delivery of core services: solid waste collection, transportation operations and maintenance, snow removal, citywide infrastructure, right of way services, and public works

Continue to focus on project delivery to build the transportation network and citywide infrastructure throughout Denver

Commit to ensuring the transportation and infrastructure system is safe, sustainable, equitable and accessible for all

DOTI 2026 GOALS

Vibrant

- Initiate all funded Vibrant projects, start construction of 6 critical transportation, infrastructure and wastewater projects; 15 critical projects open to the public including phase of Colfax BRT, Weir Gulch Reach 1 and I-25 & Broadway by 12/31/26
- Advance over \$74.5M in annual maintenance to continue investing in state of good repair by 12/31/26
- Achieve and maintain 99% solid waste route completion by 12/31/26
- Coordinate with DPO to complete all site development process update and plans, permit application, and associated plans within 180 calendar days, as well as complete wastewater standards update by 12/31/2026

Climate

- Increase and encourage transportation options for residents to shift 1-2 car trips per week to transit, walking, rolling and biking in key areas by 12/31/26 to reduce on road transportation emissions
- Implement elements of sustainable fleet program including Fleet Rightsizing, finalization of the Fleet Facilities and Electrification Strategy with CASR, implement full pilot of heavy-duty electrified solid waste fleet by 12/31/26

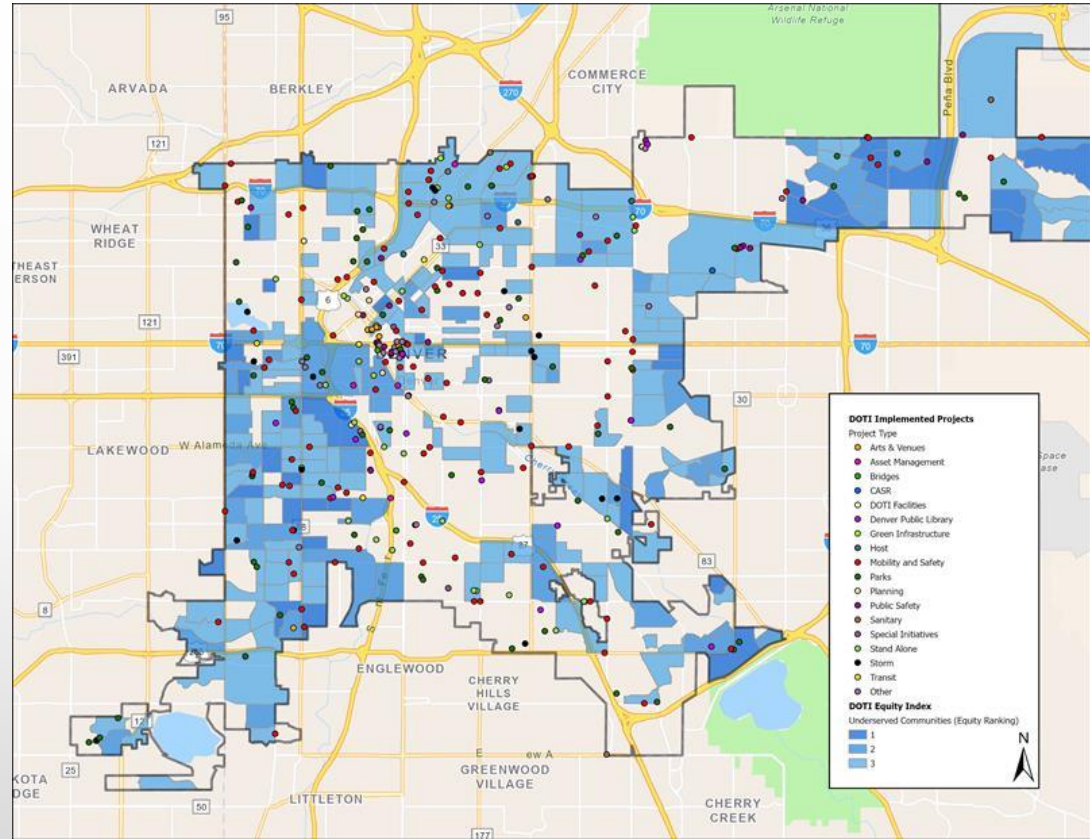

Safety

- Install safety improvements and speed cameras on Federal Blvd, Alameda Ave, and Colorado Blvd to reduce traffic deaths by 50% on Federal Blvd and Alameda Ave by late 2026, and on Colorado Blvd by late 2027. Initiate downtown safety zone improvements with grant funding by late 2026.
- Install traffic calming measures ('Slow and Safe Streets') along 18 miles of city streets and deploy divertors at key locations throughout the city by late 2026. Continue to identify additional Slow and Safe Street locations by late 2026.

EQUITY CONSIDERATIONS

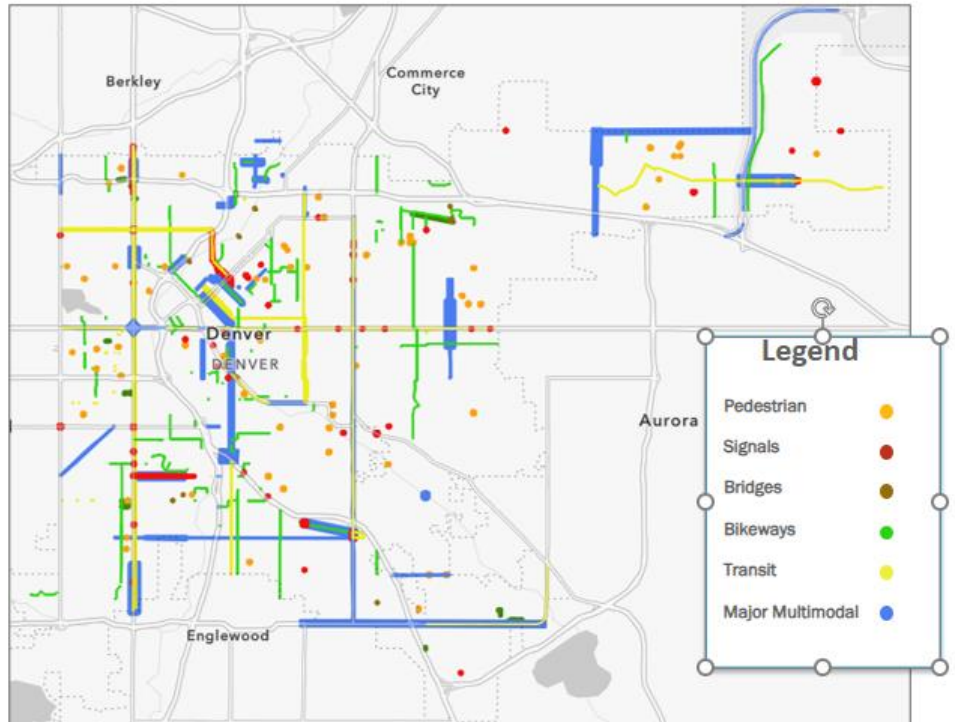

DOTI's continuing commitment to equitable investment:

- Ensuring investments focus on areas with greatest need
- Maximizing utilization of disadvantaged (SBE/ MBE/WBE) suppliers and contractors
- Ensuring development opportunities are extended to all levels of the organization with focus on areas with the greatest need
- **75% of mapped projects are partially or completely within the Equity Index: Underserved Communities**
